Brief Description: Chaser is a super cute happy hunter! He would be the ideal junior hunter. Not spooky, calm, very brave over jumps. Beautiful gaits and form over fences. Loads, clips, bathes, crossties. Great feet, goes barefoot. Current Coggins, UTD on all shots, teeth floated. Would do best with an intermediate rider due to his age, or a beginner under the guidance of a professional trainer. Has been in full training program since January. Successfully shown in low hunter shows. Has been ridden by adults to 10 year olds.

Must sell, would consider an offer to a good home.
