Coloring: Chestnut Markings: Faint stripe on face

Breed: Appendix Discipline(s): Dressage and Eventing

Rider Level Best Suited For: (circle one) Beginner Intermediate Advanced

Brief Description: Winston has been shown beginner novice eventing and 1st level dressage and has been schooled up to training level eventing and 2nd level dressage movements. Sadly, owner has outgrown his jumping abilities and is looking for a new home for him. Winston has the sweetest personality in a horse; he loves to be around people and thrives under personal attention. He's good at shows, perfect gentleman for the vet and farrier, stands (even ground ties) for clipping and bathing, hauls beautifully and has excellent ground manners. Winston is great on trails, both alone or in groups, walking on a loose rein or galloping across a field. Goes through water, over bridges, along roads, and is perfectly fine with dogs of all kinds. Selling him is the hardest decision the owner has had to make, but he's a hardworking boy who deserves the best of all possible homes. Asking \$4,000, negotiable to a great home.
